

A photograph of a university campus. In the foreground, a large group of diverse students is walking along a paved path. They are dressed in casual summer attire. In the background, there is a large, multi-story brick building with classical architectural features like columns and arched windows. Lush green trees are scattered throughout the scene, and the overall atmosphere is bright and sunny.

Land Grant
Research University

We Are NDSU

The background image shows the main entrance to North Dakota State University. A large, ornate black metal gate arches over a brick-paved walkway. The words "NORTH DAKOTA STATE UNIVERSITY" are inscribed on the arch. Several students with backpacks are walking along the path. To the left, there is a brick building with a black lantern-style light fixture. In the foreground, there are colorful flower beds with yellow and red blooms. The sky is clear and blue.

Academics

The background of the slide is a photograph of a classroom. In the foreground, a woman with dark, curly hair is smiling and looking down at papers on a desk. She is wearing a red and black striped sweater. To her left, the back of a person with blonde hair is visible. In the background, another person is partially visible, looking towards the right. The overall atmosphere is positive and academic.

Work with a ND company

Experience, a degree, and maybe a job!

Agribusiness major works well

Agribusiness and Applied Economics

- BA in Economics
- BS in Agribusiness
- MS in Agribusiness and Applied Economics
- MS in International Agribusiness
- Job placements
 - Many in local and state government and industry
 - Commodity firms nationwide
 - Graduate and law school

Selected MS Placements

- Ad-Farm Association
- Ag Country
- Farm Credit
- Cargill
- ConAgra
- EPA
- Farm Service Agency
- Gavalon
- Minnesota Crop
- Improvement
- North Dakota Extension Service
- North Dakota Wheat Commission
- Proctor & Gamble
- Risk Management Agency (RMA) of the USDA
- Swift
- University of Belize
- US Bank
- Wells Fargo

Future Agriculture Economics Career Opportunities

- Demand for economists and agribusiness professionals continues to grow
- Demographics of ag industries
 - Retirement of large % of management next 5 years
- Creates opportunities to move up quickly
 - Ag knowledge
 - Excellent communication skills

A photograph of two students, a man and a woman, walking together on a grassy campus path. The man is on the left, wearing a dark t-shirt and carrying a bag. The woman is on the right, wearing a patterned shirt and jeans. They are both smiling and looking towards the right. The background is a lush green landscape with trees and a flowering bush with pink blossoms. A semi-transparent green rectangular overlay covers the middle portion of the image, containing white text.
